Re: Political Action Committee (PAC)

Dear Member,

Thank you for your support in getting our Political Action Committee off the ground. As you know, our primary goal is to lobby state legislature on issues that affect our industry. Your initial donations have resulted in opportunities for the committee, with the help of John Wanner, our lobbyist in Harrisburg, to lay the groundwork with several of our local and state representatives, familiarizing them with our issues and how they affect us as a whole - specifically, Mandate Waivers and the Separations Act.

We are now approaching the legislators with language to eliminate "Paid if Paid" and Retainage, starting at 5% and being reduced monthly as the work is completed.

We have only scratched the surface in our efforts. In order to maintain our momentum and be successful on the legislative front, we need your continued financial support. PAC funds are a necessary component to our lobbying campaign efforts. Allow us to continue to work on your behalf to protect the well being of our industry by considering an annual pledge or contribution. Pennsylvania law states that we can only accept personal contributions. Corporate donations are prohibited. To make contributing easier, we are now accepting credit card pledges. Credit card pledges can be paid in full or spread out in 12 equal payments.

A pledge card is enclosed for your use. Please join me in making a generous contribution – the future of our industry depends on it.

Please save the date of February 19, 2009 and plan to attend our Annual MCA/SCA Membership Meeting - our guest speaker will be Senate Majority Leader Dominic Pileggi!

Regards,
James P. Gaffney
